Also download the app "Stack Team App" on your phone, search for ASW Turbines and request to join. We use this to help manage RSVP and events.

UNIFORMS

These are provided complimentary. The club will be in touch to arrange.

FURTHER INFORMATION

We compete as a team in Geelong (John Landy Field) in the AVSL season. Travel and carpooling is coordinated to help with getting there and back. If athletes are not around, they can compete at any of the locations for that weekend.

Summer Calendar: https://1u0fl51imoij2oeyl71e616n-wpengine.netdna-ssl.com/wp-content/uploads/2022/08/FINAL_UPDATE-AV-Summer-Calendar-15082022-.pdf

All athletes must enter by the required date to compete. This will need to be done via your Rev Sport member portal. More information on this to come.

AVSL is focused on participation and fun, we encourage athletes to compete in at least three events, even if you have not done it before. Every completed entry attracts points for the club.

There is heaps of support on the day and is a friendly and relaxed atmosphere.

All (live) results can be found at the AV results hub: <https://athsvic.resultshub.com.au/>
